Sing A Song #1:-- It's Beginning to Look a Lot Like Xmas

Prologue poem

BACKWARDS BOY

It's the Noon before Christmas and now we are here,
 In the Snow Queen's Court of lust and fear.
 Scandal and sex and deceit will appear,
 Between the wicked Frost and angry reindeer.
 The fate of our town is still unclear.
 You're awfully brave to stay to stay and leer.

Opening Poem The Snow Queen's Court

The ensemble promenade dances to a remix of The March of the Nutcrackers, telling the story of The Snow Queen's Court. After, The Snow Queen addresses the court.

THE SNOW QUEEN

Santa Claus is dead. He's been dead now for years.
 And when he bit the dust, I didn't shed a tear.

THE SNOW QUEEN (cont'd)

It was 25 years ago to the day,
A day like no other is what they now say.
A mysterious blast blew up our town.
So many died, so many drowned,
In the massive floods of melted frost,
The fires burned, we paid a great cost.
There were many lives lost.
Rudolph and Donner were lucky and lived
They found a shelter and quietly hid.
I made it through by a stroke of fate,
I conjured an igloo that was very safe.
But still it was very very traumatic
To survive a disaster so enigmatic.
The mysterious blast, had no explanation,
And it started a drought, and a plague, and so much
starvation.

REVOLUTIONARY REINDEER

With Santa Claus now just a pile of bones,
Who would lead our dear Christmas home?
Shouts of conspiracy rang all about
Intrigue, betrayal, worries and doubt.

ANARCHIST REINDEER

But the smart knew what to do,
It was time to stage a coup.

PARTY ELF

The Higher class elves aligned with the Frost,
Hungry for power, no matter the cost.

REVOLUTIONARY REINDEER

Rudolph went mad, declared himself God,
And sent many poor souls to the firing squad.
A faction of reindeer tried to fight back,
Upon the main street, they staged an attack.
They rallied behind one single call,
That Rudolph would fall,

ALL

Rudolph would fall!

ANARCHIST REINDEER

A nutcracker army formed very fast,
Swinging their weapons, they stabbed and they bashed.
Rudolph was hanged but his hide was saved,
He was promptly taxidermied.
But now all we have is stupid stalemate,
What happens next, we have to debate.

REVOLUTIONARY REINDEER

No one's in charge, the city's divided
Into violent gangs with warlords misguided
By greed and ambition and no ideology.
This town is infected with murderous psychology.
The rotten children,
No better than heathens,
Are the smelly pests,
Who rule the South West.
The Gingerbread Boys,
With their brass knuckle toys,
Are the foolish beasts,
Who rule the South East.

All of the North belongs to the Snow.

And here sits their Queen:

THE SNOW QUEEN

Good day, hello.

SUZY SNOWFLAKE

Her territory is especially vibrant,

She sells much pleasure and excitement

ANARCHIST REINDEER

But we reindeer are far more violent.

We have acres and acres of beautiful space,

Santa's old ranch now belongs to our race,

It's a barracks, a camp, a military base.

PARTY ELF

The center of town is a place no one goes.

It's just home to ghosts.

THE SNOW QUEEN

Sometimes I wonder who set it off

Who flicked the switch, who fired the first shot.

Some say it was the reindeer some say it was me,

Some blame the elves, others blame the trees.

(she laughs)

Some say it was magick older than dirt.

But I think I know who made us hurt.

I think it was santa, that fucking old man

I hope he's in hell, roasting like ham.

SANTA CLAUS IS DEAD! LONG LIVE THE FROST!

Sing-a-long #8: We Three Tribes

The Good Elf gets in Trouble

The Good Elf and Backwards Boy enter.

THE GOOD ELF

Be extra quiet, my new pal,

The book has lead us someplace foul.

Don't forget we're on a secret mission,

To return Santa to his old position,

Of being alive and well,

Once I find all the ingredients for my spell.

I got a nutcracker tooth and a plum fairy's wing,

And a glass ball wrapped in red string,

But we have to be careful in the Snow Queen's palace.

These people are filled with ambition and malice.

*Jack Frost plays a trick on The Good Elf,
frightening her for the delight of the Snow Queen.*

JACK FROST

Hello little elf

I've been following you around the city

Boy aren't you small and pretty.

We are going to have some fun later,

Bounty hunter, take her.

The Bounty Hunter drags The Good Elf out.

Jack Frost and the Snow Queen

JACK FROST

Half a pound of good butterscotch

Half a pound of treacle

That's the way the sugar gets in

Pop goes the reindeer

All around the conifer tree,

The snow man chased the reindeer

The snow man thought it was all a joke

Pop goes the reindeer

THE SNOW QUEEN

Jack, how was outside?

JACK FROST

It was great, all the children died!

They both laugh for a long time.

THE SNOW QUEEN

Jack is nimble, Jack is quick,

Jack knows lots of nasty tricks.

JACK FROST

The Snow Queen's hand is made of ice,

Treat her right or pay the price.

REVOLUTIONARY REINDEER

The mean Snow Queen's addicted to glamour

And Jack Frost's got a terrible manner.

ANARCHIST REINDEER

Two wicked peas in a pod,

I think that they're awfully odd.

PARTY ELF

I like them, they're deliciously grand,

More than just that, they're never too bland.

CANDY CANE DEALER

They share everything that two creatures could
They indulge in the senses like nobody should
They're ever so queer in the ways that they play
They trade off their lovers, Cuz they both go both
ways.

ANARCHIST REINDEER

Are they sister and brother, Or lover and lover?

REVOLUTIONARY REINDEER

No one's quite sure if it's one or the other.

CANDY CANE DEALER

I think it's both, that they're siblings in love.

THE SNOW QUEEN

Incest looks best when it rises above,
The lower class crowd, who are ugly and loud,
We hold ourselves high, we're rich and we're proud.

JACK FROST

I like a good trick, I think they're amusing,
The plebeians in here are never refusing
To have a dark jest, or play a snide game,
And if somebody dies, oh no, what a shame.
The Frost and the Snow,
We like a good show.
So we dance and we watch and we take what we please,
And we smile and we sneer while the unfortunate freeze.

THE SNOW QUEEN

I don't mean to alarm you,
But I might have to charm you.
When I have you in my silky grip,
You'll taste eternity on my lips.
Indulge me, delight me, and your life will be lovely,

(CONTINUED)

But annoy me too much and things will get ugly.
 The Snow and the Frost,
 We're often criss-crossed.
 So we dance and we watch and we take what we please,
 And we smile and we sneer while the unfortunate freeze.

*Jack frost and The Snow Queen have a movement

THE SNOW QUEEN

So the children all died?

JACK FROST

Nobody knows why.

THE SNOW QUEEN

Well I don't really care.

JACK FROST

Fair.

THE SNOW QUEEN

But I certainly smell a wonderful opportunity.

JACK FROST

To expand our community?

They both cackle some more.

Sing-A-Long Number 9: Let it Snow

The Snow Queen and Suzy

THE SNOW QUEEN

Now you may be wondering why they call me a Queen,

Not just beautiful, I'm more than I seem.

I have a collection of girls I employ,

Actually, I also have a few boys.

Regardless, they're all ready and willing,

To make your life a little more thrilling.

Here comes Suzy Snowflake

THE SNOW QUEEN

THE ABOMINABLE BOUNTY HUNTER

Pardon me for being crass,
But Suzy Snowflake's a hot piece of ass.
She could eat my carrot nose any time,
If you get what I imply.

The Dance of the Snow Queen's Court

THE SNOW QUEEN

And now, the royal frost dance!

*The ensemble do a royal dance to an electronic
remix of I believe in Father Christmas.*

The Anarchist Reindeer Addresses

The Court

ANARCHIST REINDEER

Good evening, court and queen.

If there is just one thing,

Upon which we agree,

Eye to eye, we see:

Santa. Wasn't. That. Great.

Don't hate.

He caged us, sedated us, made us his slaves,

Now we are free, we don't have to behave.

He didn't let us walk on two feet,

If we talked back, he used us for meat.

Never again will I be slave labor.

Never again will I follow a dictator.

Never again will I walk on all fours.

Never again will you ignore,

The wild power of antlers and bombs.

Santa's memory be gone!

No more chains, no more depression,

No more patriarchal oppression!!!!

The Dance of the Reindeer

The Anarchist Reindeer lead a wild rock and roll reindeer dance. The Anarchist Reindeer flirts with Suzy Snowflake.

The Good Elf Wonders How to Escape

THE GOOD ELF

I am a worker that's what I do.

I can make something right and true.

So I will work in a different way,

I will figure out how to break my chains.

I have to further my cause,

I will find a way to escape so I can bring back Santa Claus.

Suzy/Reindeer Duet

The abominable snow man gets a little too handsy with Suzy Snowflake.

THE ABOMINABLE BOUNTY HUNTER

The Snow Queen Says you like it rough.

Well you're in luck, cuz I'm pretty tough.

SUZY SNOWFLAKE

Why don't you go, you big ball of snow.

Suzy Snowflake struggles with the Abominable Snowman. The Anarchist Reindeer interrupts and fights off the Abominable Bounty Hunter.

ANARCHIST REINDEER

Are you ok? Are you alright?

SUZY SNOWFLAKE

I didn't ask you to fight my fight.

He's a paying customer.

ANARCHIST REINDEER

He belongs in a gutter,

SUZY SNOWFLAKE

It must be nice to be free,

Suzy looks like she's about to kiss the reindeer.*

SUZY SNOWFLAKE

Nothing to say?

The reindeer steps back.

ANARCHIST REINDEER

I'm not the sort to pay

SUZY SNOWFLAKE

I didn't say I was selling

Suzy kisses the reindeer.

ANARCHIST REINDEER

How compelling.

ANARCHIST REINDEER

Why not? We can walk through the door.

SUZY SNOWFLAKE

I'm a creature of snow, held by her rules.

I sold her my spirit, I signed a contract,

It's sealed with magic, the bond can't be cracked

As long as she wears my ring sits around her neck

I do her bidding, at her call and beck.

She's violent and possessive.

I will ask politely first.

And hope you agree.

But I will also use force,

If it helps my course.

Free. Suzy. Snowflake.

Or your life I will take.

The Snow Queen blinks in disbelief. Than cackles madly.

THE SNOW QUEEN

How noble! How gallant!

Oh Suzy, you have such a talent
